- (d) Acquiring Company Securities under an employee saving scheme, provided that (i) the Employee, PDMR or Permanent Insider has entered into the scheme before the Closed Period, except when it cannot enter into the scheme at another time due to the date of commencement of employment; (ii) the Employee, PDMR or Permanent Insider does not alter the conditions of his participation into the scheme or cancel his participation into the scheme during the Closed Period; and (iii) the purchase operations are clearly organised under the scheme terms and that the Employee, PDMR or Permanent Insider has no right or legal possibility to alter them during the Closed Period, or are planned under the scheme to intervene at a fixed date which falls in the Closed Period.
- (e) Any transfer, directly or indirectly, of Company Securities provided that the Company Securities are transferred between two accounts of the Employee, PDMR or Permanent Insider and that such transfer does not result in a change in price of such Company Securities.
- (f) Any acquisition of Company Securities by an Employee, PDMR or Permanent Insider upon accepting a management or supervisory function at the Company where the final date for such acquisition falls during a Closed Period, provided that the Employee, PDMR or Permanent Insider submits evidence to the Company of the reasons for the acquisition not taking place at another time, and the Company is satisfied with the provided explanation.

Schedule 9**GUIDANCE ON EMPLOYEE SHARE PLANS AND EMPLOYEE SHARE AWARDS****1. AWARDS, ETC.**

1. General rule: No discretionary awards may be made to any person in a Closed Period.
2. Invitations under all-employee plans should not be launched in a Closed Period.
3. Awards of shares under pre-planned regular employee share or savings arrangements put in place before the Closed Period can be made during a Closed Period provided (i) the PDMR or Insider entered into the regular employee share or savings arrangements before the Closed Period and (ii) no changes are made by a PDMR or Insider to their savings level or other conditions of his or her participation in the regular employee share or savings arrangement during that Closed Period.
4. Awards or invitations under either discretionary or all-employee plans may only be possible during a Closed Period when employees cannot enter into the regular employee share or saving arrangements at another time due to the date of commencement of employment.
5. Outside of a Closed Period, awards or invitations under either discretionary or all-employee plans may be possible during a period when there is Inside Information if failure to make the award or invitation would indicate that Inside Information exists. Advice should be taken if awards or invitations are being considered in this situation.

2. EXERCISE OF OPTIONS AND VESTING OF AWARDS UNDER LONG-TERM INCENTIVE PLANS

1. General rule: Clearance cannot ordinarily be given for exercises of options by a PDMR or Insider during a Closed Period. Whether clearance can be given for vesting of awards under long-term incentive plans depends largely upon the plan rules. See Schedule 5 paragraph 1.3 for a list of exceptions.
2. Rules of the long-term incentive plan arrangements (which do not use options) will generally stipulate what happens if an award vests (e.g. when all performance conditions are met) in a Closed Period. Those rules may for example:
 - (a) provide for vesting to be delayed until after the relevant Closed Period ends, even if the relevant conditions are met; or
 - (b) provide a fixed right for individuals to receive shares, if the relevant conditions are met.

In case (a), subject to the drafting of the relevant rules, no issue arises because no dealing takes place during a Closed Period. In case (b), vesting is generally possible for Restricted Persons (as is a sale of shares as set out in paragraph 3 below). However advice should be obtained.

3. IMMEDIATE SALES OF SHARES RECEIVED UNDER EMPLOYEE SHARE PLANS

1. General rule: Even if options are permitted to be exercised, restricted stock units are permitted to be settled or awards are permitted to vest, clearance should not ordinarily be given for the immediate sale of the resulting shares in a Closed Period, including where the relevant PDMR or Insider wishes to sell them to pay the option exercise price or meet tax and social security obligations. See Schedule 5 paragraph 1.3 for a list of exceptions.

4. CLEARANCE FOR DEALINGS UNDER EMPLOYEE SHARE PLANS

In some circumstances outside of Closed Periods, it may be appropriate (without any application from the PDMR or Insider) for bulk clearance to be granted in connection with dealings connected with employee share plans, e.g. to permit individuals to accept invitations made by the Company to participate in an all-employee plan or in relation to the automatic vesting of awards granted under a long-term incentive plan.
