(2) INTERTRUST ESCROW AND SETTLEMENTS B.V., a private limited liability company (besloten vennootschap met beperkte aansprakelijkheid) incorporated in the Netherlands (registered under number 74027166 in the Dutch commercial register) with its corporate seat in Amsterdam, the Netherlands and having its address at Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands (the Escrow Agent);

(3) STICHTING ODYSSEY ESCROW, a foundation (stichting) incorporated in the Netherlands (registered under number 83023046 in the Dutch commercial register) with its corporate seat in Amsterdam, the Netherlands and having its address at Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands (the Foundation); and

(4) Odyssey Acquisition S.A., a public limited liability company (société anonyme) incorporated under the laws of the Grand Duchy of Luxembourg (registered number B255412 in the Luxembourg Trade and Companies Register) with its registered address at 9 rue de Bitbourg, L-1273 Luxembourg, Grand Duchy of Luxembourg (the SPAC).

The parties under (1) through (4) above are hereinafter each also referred to as a Party and jointly as the Parties.

WHEREAS:

(A) The SPAC is a blank cheque company incorporated for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganisation or similar business combination with a target business or entity (a Business Combination). The SPAC intends to focus on entities which operate in Europe although it may decide to enter into a Business Combination with target business that is not based in Europe and does not have any operations or opportunities in Europe. The SPAC has prepared the Prospectus in connection with the initial offering of 30,000,000 Ordinary Shares and 10,000,000 warrants issued in the form of Units at a price of EUR 10 per Unit, representing a value of EUR 300,000,000 (the Private Placement). The reason for the Private Placement is to raise capital that will fund the consideration to be paid for such Business Combination and transaction costs associated therewith.

(B) The SPAC’s main objective is to complete a Business Combination within 24 months from the Settlement Date, subject to a six-month extension period if approved by a shareholder vote (the Business Combination Deadline). Following the Private Placement, the SPAC will make a capital contribution to the Company in an amount of 100% of the gross proceeds of the Private Placement (EUR 300,000,000). The Company will deposit the amount of such capital contribution (the Initial Escrow Amount) in the escrow account.

(C) In order to ensure the sums committed by the Ordinary Shareholders are used for no other purpose than as set out in the Prospectus (including funding the consideration due in connection with the Business Combination, and subject to the Business Combination being completed) and the costs of identifying and establishing the Business Combination, the Company and the SPAC now wish to enter into this Escrow Agreement with the Escrow Agent and the Foundation.
